

Rider name: _____

1) Perkinstown, WI

109 points

Find the Perkinstown Community Church, a log structure on 2nd Ave (gravel), one block south of Taylor County Road M. An old church bell is housed in a plexiglass and wood display by the church's main entrance. When was the bell salvaged from the church fire?

Time: _____ Odometer: _____

2) Bayport, MN

22 points

A stone marker celebrating the American Revolution stands at the corner of 3rd Street N (Hwy 95) and 4th Ave N. According to the marker, when is the "vault of memoirs to be opened?"

Time: _____ Odometer: _____

3) Princeton, MN

37 points

The Mille Lacs County Depot Museum is located on 1st Street (County Road 31) at 10th Ave North in Princeton. Along 1st Street, in front of the museum, stands a large gray anchor from the USS Courtney. How much does the anchor weigh?

Time: _____ Odometer: _____

4) Rock Falls, WI

55 points

The tiny Rock Falls County Park stands on the north side of Hwy 85 by the bridge in Rock Falls. Find the stone marker titled "Desiderata" which stands in front of three flag poles in the park. What is the last complete sentence of the text on this marker? (It's four words long and not the italicized "dedicated in the memory" part at the end).

Time: _____ Odometer: _____

5) **Trego, WI**

99 points

Stamp your sheet below with the passport stamp available at the Namekagon River Visitor Center, on US 63 about .5 mi east of the junction with US 53.

Time: _____ Odometer: _____

6) **Marine on St. Croix, MN**

34 points

Find the state historical marker titled “Marine,” located at the wayside rest on Hwy 95 in Marine on St. Croix. According to this marker, when were the millstones installed?

Time: _____ Odometer: _____

7) **Bruce, WI**

66 points

Approximately one mile west of Bruce at the intersection of US 8 and Cemetery Road, by the old white church, stands an historical marker titled “Apollonia.” According to the marker, in whose honor was the village name changed to Apollonia?

Time: _____ Odometer: _____

8) **Prescott, WI**

58 points

The Great River Road Visitor Center is located at 200 Monroe Street, off Hwy 35 southeast of (up the hill) downtown Prescott. Find the Everts Point interpretive marker which stands on the bluff overlooking the river by the low stone wall about 50 yards northwest of the visitor center. According to the marker, when was Everts Point, a popular vacation and fishing haven, founded?

Time: _____ Odometer: _____

9) **Brook Park, MN**

79 points

The Brook Park State Monument, a thirty-two foot granite shaft, marks the mass grave of twenty-three Brook Park residents who perished in the Great Fire of 1894. The monument is located by the entrance to the cemetery on Pine CR 126 about .7 mi south of Hwy 23, where the pavement ends. According to information on the **east** side of the marker, to whom (nine words) is it dedicated?

Time: _____ Odometer: _____

10) **Westboro, WI**

133 points

Eight miles southwest of Westboro, in the Chequamegon-Nicolet National Forest, there is a natural spring located on Park Road, one mile east of the intersection with County Road E. (Park Road is 1.5 miles south of the junction of County Road E and County Road D). There is a small parking/turnout area by the spring on Park Road, and at the top of some steps leading to the spring is a small marker titled "Nature's Faucet." According to this marker, how many gallons flow per minute?

Time: _____ Odometer: _____

11) **Clam Falls, WI**

81 points

A church stands on 65th Street approximately .5 mi north of County Road I and downtown Clam Falls. Find the red wooden historical marker just north of the church's main entrance, by the handicapped parking spot. According to this marker, when was the Clam Falls Lutheran Church founded?

Time: _____ Odometer: _____

12) **Danbury, WI**

88 points

Pick up a receipt for food or fuel or something else to prove you were in Danbury. The location (including the town name) and date must be machine-printed or stamped on the receipt.

Time: _____ Odometer: _____

13) **Elk Mound, WI**

33 points

Elk Mound Scenic County Park is located off County Road H on the north side of town; follow Elk Mound Hill Road from CR H to the parking area at the top. Find the plaque located on the ground at the top of the stairs (straight ahead) which lead to the base of the old stone tower. According to this plaque, when was the tower reopened?

Time: _____ Odometer: _____

14) **Orrock, MN**

189 points

Prairie's Edge Wildlife Drive is located 1.2 miles north of Orrock on County Road 5 in the Sherburne National Wildlife Refuge. Follow the one-way Wildlife Drive (gravel) to around mile marker 5.2 and find the interpretive marker located there, at the parking area for the start of the Woodland Trail. According to this marker, which birds "nest and feed high in the tree tops"?

Time: _____ Odometer: _____

15) **Hawkins, WI**

95 points

At the corner of US 8 and Main Street, a large log stands under a small roofed enclosure. A large saw hangs above the log. According to writing on the saw, to whom is it dedicated in memory of?

Time: _____ Odometer: _____

16) **Forest, WI**

47 points

An old windmill stands at the intersection of Hwy 64 and County Road D (270th St). At the base of the windmill is a small marker with the names of the families who donated the windmill. What are the years listed on this particular marker?

Time: _____ Odometer: _____

17) **Sunrise, MN**

68 points

Richard Widmark, the famous actor, was born at 12:26 a.m. on December 26th 1914, near the town of Sunrise. His birth site is located on 1st Street (gravel) just north of County Road 88, west of County Road 9 on the southwest side of Sunrise; follow the signs. According to the large brown marker at the memorial on 1st St, **to whom** did Carl announce the news, after he “ran over to the neighboring house,” that “they had a son named Richard Weedt Widmark”?

Time: _____ Odometer: _____

18) **Isle, MN**

113 points

There is a large state geological marker at the scenic overlook/parking area on the southeast shore of Lake Mille Lacs, off Hwy 47 (follow the signs) a couple of miles northeast of Isle. According to this geological marker, when was the Mille Lacs moraine formed?

Time: _____ Odometer: _____

19) **Plum City, WI**

74 points

A state historical marker titled “Plum City: Early History” stands by the pond on Main Street (County Road U) in downtown Plum City. According to the marker, who acquired and surveyed forty acres of land here in 1857?

Time: _____ Odometer: _____

20) **Couderay, WI**

107 points

Find “The Tubby Forest” historical marker, located at the small wayside on Hwy 70/Hwy 27, just east of the larger “Court Oreilles” marker in Couderay. Just who exactly was “Tubby”?

Time: _____ Odometer: _____

21) **Ogema, WI**

222 points

Timms Hill is the highest point (1,951.5 feet) in Wisconsin and located in Timms Hill County Park, off Hwy 86 about five miles east of Ogema. Follow the signs into the park until you reach the parking area for Timms Hill and the two observation towers. At the information stand/map next to the parking lot and trail head, there is a box just below the “visitor registration” sign. Inside the box is the registration book, and on top of this box is a tiny black metal plaque. According to this plaque, who dedicated this “to all those we have loved and lost”?

Time: _____ Odometer: _____

22) **Cumberland, WI**

51 points

A red wooden historical marker titled “Cumberland - Wisconsin’s Island City” stands near the street in the park by the lake at the intersection of Lake Street and Arcade Avenue, one block west of US 63 on the north side of Cumberland. According to the marker, how many miles of shoreline does Beaver Dam Lake have?

Time: _____ Odometer: _____

23) **St. Croix Falls, WI**

48 points

The St. Croix National Scenic River Center is located one block west of Hwy 87 (at Massachusetts St) north of downtown St. Croix Falls. At the front desk, find the passport stamp for the St. Croix NSR which has the **town name** (St. Croix Falls) at the bottom and stamp your sheet below. Note: There are three different stamps at the visitor center; make certain to use the correct one.

Time: _____

Odometer: _____

24) **Fridley, MN**

29 points

The Banfil-Locke Tavern is located on East River Road, 1.5 miles north of Interstate 694. Built in 1847, the Tavern has been virtually unaltered since the 1870s. There is a three-sided sign at the start of the sidewalk from the parking area leading to the house. According to the side titled “Banfil-Locke Tavern”, to whom (full name) did Laura sell the house in 1912?

Time: _____ Odometer: _____

25) **Grantsburg, WI**

104 points

Sandrock Cliffs overlook the St. Croix River four miles west of Grantsburg. From Hwy 70, a few miles west of Grantsburg, take Soderbeck Road north one mile; go west on Benson and follow the pavement another 1.5 miles until it ends; go another .5 mi on gravel (keep right) to where the road ends at the parking area for the Sandrocks Cliffs. A large sign stands nearby at the trail head: According to this sign, what are these sandstone cliffs “a remnant of”?

Time: _____ Odometer: _____

26) **St. Paul, MN**

19 points

The Indian Mounds Park “Airway” Beacon state historical marker is located on Mounds Blvd approximately 100 yards west of the intersection with Earl Street, near the foot of the tall tower and its beacon, on the bluff overlooking the St. Paul airport. How tall is the tower?

Time: _____ Odometer: _____

27) **Sand Creek, WI**

39 points

The Nelson family farm stands on County Road M on the southern edge of the Sand Creek city limits. According to the sign standing at the end of their driveway (and also on the shed across the road from the house), when was the Nelson farm homesteaded?

Time: _____ Odometer: _____

28) **Forest Lake, MN**

17 points

The “Ribbons of Steel” state historical marker stands next to the restrooms at the Forest Lake Rest Area on Interstate 35 southbound. According to the marker, what was the peak year of railroad trackage in Minnesota and how many miles of track were there that year?

Time: _____ Odometer: _____

29) **New Auburn-Holcombe, WI**

101 points

To earn the points, you must complete **both** of these tasks; you may do them in either order.

A) Visit the Ice Age National Scenic Trail Visitor Center located on County Road M, two miles east of the junction with Hwy 40, and stamp your sheet below with the passport stamp available at the desk.

Time: _____ Odometer: _____

B) There is an ATV parking area and wayside rest on County Road M five miles west of Holcombe. Find the wooden bench next to the informational sign there, across the parking area from the rest rooms. To whom is the bench dedicated?

Time: _____ Odometer: _____

30) **Passport Stamp Combo Bonus**

115 points

Successfully complete all the bonus locations involving National Park Service passport stamps (bonuses number 5, 23 and 29) and earn an additional 115 points.
