The first part of this GT involves the Merci Train. What is the Merci Train? Well, it all started in 1947 when the United States sent 700 boxcars of relief supplies to the people of France. Most of the goods in those boxcars came from everyday Americans who wanted to do their part to help our allies recover from WWII. In 1949, the French sent a Merci Train with 49 boxcars containing more than 55,000 gifts back to the United States as a sign of gratitude. Merci! One boxcar from the Merci Train was sent to each of the 48 states and the 49th boxcar was shared between Washington DC and the Hawaiian Territory. At last count, more than 40 of these Merci Train boxcars are still in existence.

Your mission is to find Merci Train Boxcars and obtain photos of these boxcars with your GT flag and motorcycle. Will we tell you where the Merci Train Boxcars are located? No. You will figure it out and you can start by looking...

The second part of this GT involves love. Awwww. Love. You can never have too much! Just spell out the word love, one letter at a time, using the first letter of city/town names. You may spell out love as many ten (10) times to increase your score but you may only use a city one time. For example:

Lincoln, NE
Ogden, UT
Victorville, CA
Eagan, MN

These four cities spell the word love and would score points but you may not use any of these four cities again when spelling out love. Got it?

Your entry includes the following: GT Flag and a custom designed sticker. Entry fee is \$40 for one or two up.

GT Flag and sticker mailings will begin around February 15, and thereafter, upon sign up.

Photo Submission & General Standards

- 1) **When documenting a Merci Train Boxcar** your photos must include your GT flag, motorcycle and a Merci Train Boxcar.
 - a. Be sure to include the location of each boxcar you are claiming with your submission. You can do this via a simple list or by labelling your photos/files.
- 2) **When documenting cities, while spelling out love**, your photos must include your GT flag, motorcycle and a city welcome sign, city limit sign or post office.
 - a. If using a post office, the name of the city **MUST** be clearly visible in photo.
- 3) **For all bonuses**, your photos must include your GT flag, motorcycle and the subject of the bonus.
- 4) If you cannot get your flag, motorcycle and required subject, in a single photo, you may add no more than two additional photos for clarity and validation. Oftentimes this means including close up photos of a sign or subject and distance photos of your motorcycle and flag.
- 5) Some of the Love & Merci and bonus locations may not be readily accessible on your motorcycle and will be located indoors, down alleyways, or deep inside a park, etcetera and so forth. In these cases, where documenting your motorcycle is not possible, you must appear in the photo along with your GT flag and the boxcar, city sign, or bonus subject. If you are riding two up, both riders must be in the photo.
- 6) Be safe and smart. If conditions or circumstances make capturing a photograph unsafe, a crime, or will result in a ticket or safety violation, **do not** take the risk. Find a safe alternative to capture your photo or skip the opportunity.
- 7) Our judges are simple folk. If your photo(s) is/are not clear you will not score points.
- 8) You may submit your photos electronically/digitally or via the mail. **All digital photos (or links to digital photo albums) must be submitted to teamstrange@live.com.** If you would prefer to mail your photos, please contact Jon J at teamstrange@live.com for the appropriate mailing address.
