[FCW] 45.79862 -89.16450 Points: 173  
Three Lakes, WI  
Park St. N. of Hwy. 45

Three Lakes is the home of Fred "Cy" Williams. Near the Three Lakes Informational Bureau is a wooden marker touting his accomplishments. Williams was the first player to hit 200 home runs and was the Home-Run King of the National League. According to the sign, who was he tied with in 1923 and how many home runs did each player hit that year? (NOTE: Need 2 answers for this bonus.)

\*\*\*\*\*

[FLY] 46.59930 -90.08772 Points: 123  
Ironwood, MI  
N13870 Copper Peak Rd.

Copper Peak is the only ski flying facility in the Western Hemisphere, with another five in Europe. This superstructure rises 26 stories above the crest of the hill and is the largest of its kind in the world. There is an 800-foot chairlift followed by an elevator to take you to a spectacular view of the Lake Superior Basin. According to the informational sign at the base of the structure titled Not Just Ski Jumping – SKI FLYING, how many stories is the elevator?

\*\*\*\*\*

[WLM] 45.43917 -88.65818 Points: 250  
Wabeno, WI  
WI-32 (Branch St.)

The Wabeno Logging Museum is right on WI-32 in Wabeno and hard to miss. Find the 1901 Phoenix Log Hauler. It is powered by four steam engines and weighs 18 tons. According to the sign on the engine, how much can it pull?

\*\*\*\*\*

[BAR] 46.74927 -88.47383 Points: 299  
Baraga, MI  
17570 US-41

Bishop Frederic Baraga was known as The Snowshoe Priest because he would snowshoe 700 miles each winter between Native American villages. This 60-foot-high shrine to Bishop Baraga has stood on this bluff since 1972. The snowshoes are 26 feet long, his cross is 7 feet high and the five arches represent Bishop Baraga’s five missions. Place your flag on the informational plaque or the bench and take a picture of the Bishop Baraga Statue. From the parking area, walk the path across the railroad tracks to the statue.

\*\*\*\*\*

[TRN] 46.19515 -86.96917 Points: 432  
Trenary, MI  
E-2918, M-67

Trenary Toast is twice baked bread with cinnamon sprinkled on top. It came over with the Finnish that settled in the area in the 1800s and has been baked in the Trenary Home Bakery since 1928. It’s a simple recipe, sold in a plain brown bag and is delicious when dunked in coffee. (We sampled a couple of different flavors when scouting this rally.) Take a photo of your bike in front of the bakery and then go inside, purchase some Trenary Toast and get a receipt. If the Trenary Home Bakery is closed, go to the gas station/convenience store on the highway and buy a bag or two. Bring your receipt back to the scoring table. This bonus requires both a photo (with your bike) and a receipt..

\*\*\*\*\*

[ASH] 46.58948 -90.88842 Points: 115  
Ashland, WI  
501 Main St. W.

On the east wall of Moore’s Clothes 'n Things is a block-long mural showing the Women of Ashland. Only one woman is on the phone. What is her name?

\*\*\*\*\*

[HLC] 46.66687 -90.90128 Points: 169  
Washburn, WI  
Lakes Drive. Follow 6<sup>th</sup> Ave. W. south to the boat landing.

The Hines Lumber Company was located at this spot that is now the Washburn Lakefront Walking Trail. Edward Hines purchased the Bigelow Brothers Mills in 1902 and went on to have a brilliant career in the lumber industry. The purchase from the Bigelow Brothers Mills included 200,000 feet of stumpage and a logging railroad. According to The Hines Lumber Company wooden sign, what was the length of the logging railroad? (NOTE: The coordinates will take you to the marker. Park your bike in the parking area by the boat ramp on Lake Dr. and follow the Washburn Lakefront Walking Trail about 145 steps to the Hines Lumber Company historical wooden sign.)

\*\*\*\*\*

[GAY] 47.22700 -88.16270 Points: 222  
Gay, MI  
Intersection of Lake St. and 2<sup>nd</sup> St.

The first school in Gay was built in 1902 and, after it became overcrowded, a new six-room, two-story building was built in 1927. The new school became a center of the community until the mills closed in 1932. By 1959 only 25 students attended the school and it was closed in 1961. Restoration began in 2009 and the historic school is now a museum, telling the story of the town of Gay. Find the bronze plaque mounted on a rock at the foot of a tree in the yard just to the right of the school (kitty-corner from the iconic Gay bar). According to this plaque, what happened on this site in 1897?

\*\*\*\*\*

[MAR] 46.54552 -87.37912 Points: 287  
Marquette, MI  
300 S. Lakeshore Blvd.

The views don't get much better than down by the water in this town. The Marquette Maritime Museum is located right by the lake with the lighthouse just in the distance. There is a sobering bronze plaque mounted to a rock by the door. According to the plaque how many boats were lost from 1941-1945?

\*\*\*\*\*

[HNK] 46.89467 -88.53998 Points: 382  
Pelkie, MI  
13249 Hanka

Easily one of our favorite bonuses of the rally because of the drive out there. In a word: beautiful. The driveway itself is approximately 1/2 mile of good, hard-packed gravel. According to the informational sign near the gate titled "Hanka Homestead," what was the name of the Finnish immigrant the Hanka Homestead was named after and what was his son's name? NOTE: this bonus requires two answers. We recommend taking a picture of the sign and reading it when you're off the clock. It's a fascinating story.

\*\*\*\*\*

[MOM] 46.32673 -90.66013 Points: 118  
Mellen, WI  
102 Bennett St.

Located in the yard of the City Hall is a large mural depicting the Making of Mellen. The mural includes the Spruce Goose, the Howard Hughes airplane (built of birch harvested in this area) and other depictions unique to Mellen. Look for the shotgun in the mural. What is written on the stock of the gun?

\*\*\*\*\*

[DEE] 47.12272 -88.56568 Points: 199  
Houghton, MI  
700 E. Lakeshore Dr.

Dee Stadium claims to be the Birthplace of Professional Hockey. According to one of the many informational signs on the West end of the building: The first game was played in the Amphidrome on December 29th, 1902 with over how many people in attendance?

\*\*\*\*\*

[TUG] 47.01753 -91.67215 Points: 265  
Two Harbors, MN  
559 South Ave.

The Edna G. was the last steam-powered driven tugboat in operation on the Great Lakes. The historic tugboat is permanently moored down by the dock and is now a museum (temporarily closed). In the small parking lot off Waterfront Drive is an information sign about the historic tugboat Edna G. According to the sign, who was the Edna G. named after? (We're looking for a first and last name.)

\*\*\*\*\*

[PAR] 44.99925 -90.00408 Points: 594  
Poniatowski, WI  
5651 Meridian Rd.

The intersection of the 45 North parallel and the 90 West parallel exist in four locations on earth. Two are at the bottom of oceans. Of the two that are accessible by land, one is located in China, near Mongolia, and one is right here near Poniatowski, Wisconsin! Park in the lot and walk the short path to the marker. Take a photo of the marker embedded in the ground. Claim this bonus and your Rallymasters will commemorate your visit at the scoring table with a meaningful keepsake.

\*\*\*\*\*

[SIS] 46.86003 -91.09753 Points: 133  
Cornucopia, WI  
22750 WI-13

According to an old Indian legend, the sand beach on the east side of this bay was a favorite camping ground. While camping here, a Chippewa chief returned from hunting to find all but two of his people murdered by a large party of Foxes. He trailed them and found them preparing to torture his young son. Find the Wisconsin official marker titled Tragedy of the Siskiwit. Chief Bi-aus-wah offered his own life if the Foxes would release his young son whose (finish the sentence).

[WGP] 46.47823 -89.94110 Points: 350  
Wakefield, MI  
673 M-28  
Friday only at 8:00 p.m.

Nee-Gaw-Nee-Gaw-Bow means "Leading Man" in Chippewa. This was the 59th carving done by artist Peter Wolf Toth and completed in 1988. Head on over to the Wakefield Whispering Giant after the rider's meeting on Friday night to get your photo taken with your fellow riders, rally staff and maybe a few dogs.

\*\*\*\*\*

[SCH] 46.77518 -91.38673 Points: 95  
Port Wing, WI  
N. side of Hwy. 13 between Pennsylvania Ave. and Grand Ave.

At the start of the 20<sup>th</sup> century, with logging operations in full swing, small log schoolhouses could not handle the increasing number of students. In 1903 a new, larger school building was completed in an effort to consolidate the smaller schools. This was the first school district in Wisconsin to provide free school transportation. According to the Wisconsin official marker titled SCHOOL CONSOLIDATION, what were the canvas covered, horse drawn wagons or sleighs known as?

\*\*\*\*\*

[SNO] 47.35895 -88.30337 Points: 147  
Mohawk, MI  
US-41 approx. 4 miles north of Mohawk

The tall wooden snow stick is just off US-41 and is pretty hard to miss. The all-time low snowfall was just 16.11 inches during 1999-2000. According to the wooden sign next to the snow stick, the record snowfall of 390.4 inches was established in Keweenaw County during the winter of 1978-79. According to the sign, what was the total snowfall in December 1978?

[FER] 46.81210 -90.81262 Points: 148  
Bayfield, WI  
20 Washington Ave.

The ferry terminal is always bustling during the summer, with long lines to both get to Madeline Island and then return to the mainland. At the ferry terminal is the Boutin–Mahan Building that was originally built in 1882. According to the sign on the building, what year was the Boutin–Mahan building rebuilt?

\*\*\*\*\*

[BDS] 45.81592 -88.08238 Points: 510  
Iron Mountain, MI  
Intersection of S. Hemlock St. and W. D. St.

A resident in this quiet neighborhood built an awesome shrine dedicated to Bomb Disposal Soldiers in his front yard. Lay your flag on the ground and include it in a photo of the Soldier Statue. The statue is actually a wood carving painted with black enamel. It depicts Donnie Jokinen, the homeowners’ son who was injured in Iraq. Take a minute and sign the guest book located in the mailbox. Please be respectful.

[MOL] 45.48593 -88.97215 Points: 162  
Mole Lake, WI  
WI-55 just north of the Mole Lake Casino

Mole Lake was the site of a fierce battle between the Chippewa and Sioux over control of the wild rice beds, resulting in over 500 killed and buried here in a common mound. Gitshee Ki-ji-wa-be-she-shi was the first chief of the Sokoagon Band of the Chippewa tribe. According to the Wisconsin official marker titled BATTLE OF MOLE LAKE, what was the first chief also known as?

\*\*\*\*\*

[HOD] 45.63240 -89.42287 Points: 166  
Rhineland, WI  
450 W. Kemp St.

The Hodag is legendary in this area and Rhinelanders love him. What's not to love? Discovered in 1893, local folklore claims the Hodag played third-string center for the Green Bay Packers during the Ice Bowl in 1967 and formed Boom Lake by doing a cannonball in a puddle. The Hodag's only known habitat is in the forested area surrounding Rhineland and it is said to be a fearsome creature born from the ashes of cremated oxen. There are many Hodag statues around town, but we want you to take a photo of the giant Hodag at the Chamber of Commerce building. Make sure to include his enormous fangs and fiery red eyes.

[KOV] 45.57365 -89.06445 Points: 142  
Monico, WI  
2392 Mud Creek Rd.

Discovering the Kovac Planetarium out here was another "who knew" moment. Inside this non-descript building is a 22' diameter globe, tilted at 45 degrees to match the area's latitude. Frank Kovac hand painted every star visible in the northern hemisphere - more than 5000. All the while paying special attention to the brightness and position of the star. This is one of only four globe style planetariums in the world. Take a photo of the building showing the KOVAC PLANETARIUM sign above the door and include your bike in the photo.

[PPL] 45.66853 -86.96675 Points: 597  
Rapid River, MI  
3722 Cty. 513 T Rd.

We saw the coolest thing when scouting this bonus last fall. Apparently monarch butterflies by the thousands hang out here on Stonington Peninsula waiting for favorable winds to cross Lake Michigan on their 1900 mile journey to the Sierra Madre Mountains of Mexico. It should be very quiet when you visit. The Peninsula Point lighthouse was built in 1865 of Cream City Brick from the Milwaukee area. After a new lighthouse was built 6 miles to the south, this site became part of the Hiawatha National Forest with a picnic area. Walk to the lighthouse, go inside and head up the spiral staircase. On the first landing, there is a framed informational sign titled PENINSULA POINT LIGHT STATION. According to this sign, what year did the Coast Guard deactivate the Peninsula Point Light Station light?

From Hwy. 2, 2.8 miles east of Rapid River, take the exit towards Stonington and travel south on CR 513. Follow CR 513 for 17.7 miles to the tip of the peninsula, where you will find Peninsula Point Lighthouse. The last mile of the journey is a narrow, winding, hard-packed dirt road.
