Points: 140

43° 05.654' -90° 07.882'

11:00am - 5:00pm

In 1960, Alex Jordan opened his dream house built atop a chimney of rock to the public. Over the years, Alex expanded his vision beyond the House and collected and built on a massive scale. Think Ripley's Believe It or Not sort of collection. From US-14 and WI-23 follow WI-23 8.8 miles. Get a photo of the "House on the Rock" sign by the entrance.

040 DQI Don Q Inn - Dodgeville, WI

Points: 148

42° 59.522' -90° 08.459'

The Don Q Inn is a unique hotel with Fantasy Suite Theme Rooms. Not to be confused with our own Don Q. But the real attraction is the Boeing C-97 that landed here for filming of a commercial with Farah Fawcett. The Don Q is 1.5 miles north of US-18 in Dodgeville on WI-23. Get a photo of the Boeing C-97.

041 CVC Carr Valley Cheese - Fennimore, WI

Points: 147

42° 58.631' -90° 39.323'

Plenty of cheese shops all across Wisconsin. But Carr Valley has Igor, a giant mouse with a piece of cheese. You'll find Igor 0.8 of a mile south of US-18 on US-61. Get a photo of Igor. One thing, Igor is on wheels and could be off at a parade somewhere in that case get a photo of the "Carr Valley Cheese" sign out front.

042 CVF Cassville Ferry - Cassville, WI

Points: 156

42° 42.817' -90° 59.544'

The Cassville Ferry was used to transport vegetables from the rich bottom land soil of Iowa. From WI-133 in Cassville turn southwest on Wall Street, cross the railroad tracks and go right, follow that to the end by the ferry terminus. Follow the side walk farther to a gazebo like structure, a scenic overlook of the river. One of the info plaques in the gazebo is "Cassville - A River Town". According to the info plaque Ferry service was powered by _____ on a treadmill started in 1836.

043 GOP Good Old Potosi Beer - Potosi, WI

Points: 158

42° 40.569' -90° 43.465'

Founded in 1852, the Potosi® Brewing Company became the fifth largest brewery in Wisconsin and distributed coast to coast. The brewery survived prohibition but closed in 1972. Following a \$7.5 million restoration, the Potosi Brewery Foundation, a non-profit organization and sole owner of the Potosi Brewing Company, reopened the brewery in 2008. The facility is home to the™, a brewpub, restaurant, beer garden, gift shop, and Great River Road Interpretive Center. The Potosi Brewery's mission is to channel profits into its markets served to support historical and educational based initiatives, and charitable causes. From WI-133 turn southeast on Brewery Hollow Road, go 100 yards and turn right into the parking lot of the Holiday Garden Event Center. Look for the very large Potosi bottle/can. Get a photo of the bottle/can.

044 DVG Dickeyville Grotto - Dickeyville, WI

Points: 110

42° 37.667' -90° 35.690'

For some unknown reason Wisconsin loves grottoes and we here at TeamStrange love benches. In front of the grotto are a pair of benches one is involving memory of "Welter". What are the first names of the Welter couple?

045 FPE Fenelon Place Elevator - Dubuque, IA

Points: 241

42° 29.799' -90° 40.106'

This historic cable car. Also known as the Fourth Street Elevator, this funicular railway has been called "the world's steepest, shortest scenic railway." 296 feet in length, elevating passengers 189 feet from Fourth Street up to Fenelon Place. Magnificent view of downtown Dubuque business district, the Mississippi River and three states. From US-61 in Dubuque take exit 189B, at the bottom of the ramp go west. Coming from the north that will be 11th street, coming from the south that will be 9th street. Follow that to Bluff street, go south to 4th street, go west to the elevator. Get a photo of the lower terminus of the elevator.

046 GCS Gile Cheese Shop - Cuba City

Points: 175

42° 36.418' -90° 25.843'

Like I said there are plenty of cheese shops all across Wisconsin. Located on WI-80 in Cuba City between Clay and Benton streets on the east side of the street. According to the big sign by the street "Gile Cheese". When were they established?

047 MAC Masonic Cemetery - New Diggings, WI

Points: 180

42° 32.285' -90° 20.578'

The Masonic Cemetery is about 2 miles southeast of Benton, WI. The cemetery is on Co Rd W just west of downtown New Diggings. Get a photo of the entrance archway.

048 GRH Gravity Hill - Schullsburg, WI

Points: 184

42° 32.812' -90° 13.994'

Gravity hill know as a spot where you will roll uphill against the ever-present force of gravity. 2.3 miles south of WI-11 in Schullsburg on Co Rd U. Look for the blue signs with the instructions for gravity hill. Get a photo of the blue instruction sign.

049 DCD Decatur Dairy - Brodhead, WI

Points: 201

42° 37.593' -89° 26.641'

Yet another great cheese maker in Wisconsin. Decatur Dairy is located 3.4 miles west of WI-11 in Brodhead on Co Rd F. Look for the Cheese Tree, a chainsaw sculpture of an old tree depicting different cheeses. Get a photo of this sculpture.

050 - NGB New Glarus Brewery - New Glarus

Points: 172

42° 47.727' -89° 37.773'

10:00am - 5:00pm

New Glarus Brewing Company wasted no time establishing itself as a world class operation. In 1992, Daniel Carey passed the Diploma Master Brewer's Exam at the Institute of Brewing, London. The first barrels rolled out in November of 1993 - the fastest micro brewery start-up ever. The new brewery is 1.2 miles south of WI-39 in New Glarus on WI-69. Turn east on Cow Path Lane, follow that to the parking lot, turn right and at the far end of the parking lot there is an all white cow. In spite of the fact that New Glarus flagship brew is Spotted Cow this cow has no spots. Get photo of this spotless cow.

051 BVW Blanchardville Mural - Blanchardville, WI

Points: 177

42° 48.543' -89° 51.762'

Right in the heart of Blanchardville is the Junk and Disorderly Antique shop. On the south side of the antique shop is a mural a tribute to Balchardville. Blanchardville is 10.5 miles west of New Glarus, WI on WI-78. Get a photo of the mural.

052 ERK Elephant Rock - Richland Center, WI

Points: 117

43° 21.903' -90° 15.936'

It's a rock that looks like an elephant. From Richland Center go south on US-14 then north on WI Trunk Hwy 58, see what I did there, 6 miles on the east side of the road is a small paved wayside, unmarked. Look to the north end of the pavement and there is the Elephant Rock. Get a photo of the elephant rock.

053 FCC Fancy Creek Cemetery - Richland Center, WI

Points: 106

43° 26.006' -90° 27.352'

The Fancy Creek Cemetery isn't all that fancy but I hear the creek is. From Richland Center go north on WI-56 8.8 miles. At the intersection of Co Rd Z on the east side of the road slightly elevated will be the Fancy Creek Cemetery. Get a photo of the archway leading into the cemetery.

054 SSC S&S Cycle - Viola, WI

Points: 106

43° 29.685' -90° 38.017'

S&S Cycle is the go to high performance engine builder for all things Harley Davidson. From Viola go east on WI-56 1.7 miles and turn south on Co Rd G, about 0.4 of a mile on the east side of the road is the entrance to S&S Ranch. Get a photo of the archway over the entrance.

Points: 98

43° 39.166' -90° 51.470'

Hey! Another cheese store! Well it is Wisconsin. According to the sign on the front of the store. Westby cheese has been around since when?

056 BSP Bangor Stockyard Park - Bangor, WI

Points: 87

43° 53.524' -90° 59.161'

At one time Bangor was livestock hub. From WI-162 in Bangor go south on 17th Ave, that turns and goes east and becomes Commercial Street. Go 0.2 of a mile on the south side of the road will be a brick monument "Bangor Stockyard Park". In the center of the monument is a newspaper from November 2nd 1941. According to the newspaper article in 1940 how many cars of stock were shipped from the Milwaukee road siding in Bangor?

057 MDC Mindoro Cut - West Salem, WI

Points: 83

43° 58.458' -91° 05.722'

The Mindoro cut is 74 feet deep, 86 feet long, and 25 feet wide. It is the second-deepest cut built by hand in the Western Hemisphere and the oldest functional cut which has not been improved upon. From West Salem head north on WI-108 veer off to the left onto CoRd C. Follow Co Rd C 4.3 miles to the cut. On the west side of the road there is a historical marker and a bench. Oh yeah, TeamStrange loves a good bench. Who is the bench in memory of?

058 TCS The Cheese Store - Hillsboro, WI

Points: 100

43° 39.208' -90° 20.176'

At the intersection of WI-33 and Co Rd FF in Hillsboro there is a sign for "The Cheese Store" on top of said sign is a large mouse sitting on a wedge of cheese. Get a photo of this sign with the mouse on top.

059 YFD Yuba Fire Dept. - Yuba, WI

Points: 113

43° 32.350' -90° 25.748'

The tiny town of Yuba, definitely worth a visit. About 14 miles north of Richland Center at the intersection of Co Rd H and C. Get a photo of the Yuba Fire Dept.

060 CVC Carr Valley Cheese - La Valle, WI

Points: 108

43° 30.446' -90° 09.917'

Another cheese shop, who woulda thought. From La Valle go south on WI-58, 1 mile west of Ironton turn south on Co Rd G for 2.3 miles to Carr Valley Cheese. Get a photo of the spotted cow in front of the store.

061 OLF Our Lady of the Fields - Hill Point, WI

Points: 123

43° 22.351' -90° 08.022'

Our Lady of the Fields is a small chapel out in the fields, it's also the St. Patricks cemetery. Hill Point is about 16 miles north of Spring Green, WI. From Hill Point go south on WI-154 for 1.4 miles, go south on Co Rd G for 2.6 miles turn west on Chapel road it's 0.7 of a mile to the chapel. To the left of the chapel entrance is what looks to be a headstone. According to the inscription on the headstone what year was Our Lady of the Fields rededicated?

062 HMP Hyde Mill Pond - Ridgeway, WI

Points: 142

43° 04.356' -89° 58.614'

A pretty little mill and pond by a stone dam built in 1850. From Spring Green go south on WI-23 2 miles to Co Rd T, go east on T. Follow T for 8.2 miles, turn right to go south for 0.6 of a mile turn east on Mill Road, go 0.2 of a mile to the Mill. By the mill there are a pair of yellow highway directional arrows. On the back of the small one is a question. What is that question?

063 COM Cave of the Mounds - Blur Mounds, WI**Points: 165****43° 01.019' -89° 48.873'****9:00am to 5:00pm**

Cave of the Mounds offers cave tours and all things rocks. But we're here for the Penny Pincher. Blue Mounds is 21 miles west of Madison WI on US-151/18. From US-151/18 in Blue Mounds go north on Co Rd F 0.2 of a mile go east on Co Rd ID. In 0.8 of a mile turn north on Cave of the Mounds Road, go 0.3 of a mile to Cave of the Mounds. From the parking lot follow the paved path to the Visitor Center. In the visitor Center look for the the "Prnny Pincher" machine. You will need 2 quarters and a penny , bring back one of the pinched pennies from the machine.

064 TYB Tyrol Basin - Mt Horeb, WI**Points:149****43° 02.779' -89° 46.829'**

Amazing that the driftless area is mountainous enough to have a ski area. From exit 65 off US-18 west of Mt Horeb turn north and follow WI-78 North. In 1 mile turn north on Co Rd JG, follow that 4.4 miles turn right on Bohn Road. Then 0.3 of a mile to Tyrol Basin. Get a photo of the "Tyrol Basin Ski & Snowboard Area"

065 SPB Stewart Park Beach - Mt Horeb, WI**Points: 151****43° 01.091' -89° 44.681'****6:00am to 10:pm**

You'll know why I brought you here. From exit 65 off US-18 west of Mt Horeb turn north and follow WI-78 North. In 1 mile turn north on Co Rd JG follow that 0.9 of a mile. The entrance is at the apex of a sweet 180 degree corner. From the parking lot head toward the beach and look for a little free library. Next to that is a well worn bench, we love out benches. Who built and donated this bench?

066 SPC Seth Peterson Cottage - Lake Delton, WI**Points: 111****43° 33.686' -89° 49.472'**

In 1958 Seth Peterson approached Frank Lloyd Wright to design the Cottage, the architect was nearing ninety years old, in the seventh decade of the most creative and innovative architectural practice in American history. The Seth Peterson Cottage is Wright's last Wisconsin building. Wright died in April, 1959, before Cottage construction was completed. From exit 212 on US-12, the first exit south of I-90. Got northwest on Farm Dell Road for 2.5 miles the entrance to the cottage is on the north side of the road. Get a photo of the sign that starts with "Open House".

067 MCR Mid-Continent Railway Museum - North Freedom, WI Points: 119

43° 27.618' -89° 52.483'

A former's delight a great railway museum if you're lucky you might catch one of the trains leaving the station. From US-12 exit 218 just west of Baraboo follow WI-136 west for 5.2 miles, turn south on Co Rd I to North Freedom. Go west on Walnut Street 0.4 of a mile to the museum. On the south side of the road is steam locomotive #29. What railroad did old #29 operate on? Hint the name is on the coal car.

068 WLM World's Largest Potato Masher - Plover, WI Points: 452

44° 26.702' -89° 31.409'

Where else but Wisconsin would you find the world's largest potato masher??? Plover is just south of Stevens Point. From I-39 exit 153 go west on Co Rd B 0.5 of a mile, go south on Hoover Ave for 0.6 of a mile, turn east on Exploration Way for 0.2 of a mile to the Food and Farm Exploration Center. The potato masher will be on the right. Get a photo of the potato masher.

069 EMT Elk Mound Tower - Elk Mound, WI Points: 66

44° 52.723' -91° 41.236' Daylight

This tower is supposed to be haunted luckily you won't be here after dark. From I-94 Exit 52 follow WI-29 east for 2 miles and turn south on Co Rd H. Go 1.1 miles and turn east on Elk Mound Hill Road, follow that to the tower. On the top of the tower is a bench, yes a bench, who is the bench in loving memory of?

070 LKB Leinenkugel's Brewery - Chippewa Falls, WI Points: 222

44° 56.606' -91° 23.717'

Leinenkugel's beers have been brewed here in Chippewa Falls since 1867. But recently the big bad owners Molson-Coors has decided to stop brewing Leinenkugel's here in it's birthplace, those bastards. They brew Coors what do they know about beer! From WI-29 Exit 79 turn north to follow Bus-WI-29 2 miles then keep right to north WI-124. Go 0.6 of a mile and turn right on Elm Street the Leinie Lodge will be on your left. On the left pillar of the canopy over the entrance is a plaque "Family Reunion" Get a photo of this plaque, you might want to read it also.

071 SBC Spring Brook Church - Elk Mound, WI

Points: 67

44° 45.993' -91° 41.432'

The Spring Brook Church is across the road from the haunted Caryville church, be careful. From I-94 Exit 52 follow WI-29 east for 2 miles and turn south on Co Rd H. 8.6 miles then turn right to go straight onto 930th Street. Go 0.4 of a mile to the church. According to the cornerstone what year was the Spring Brook Church built?

072 LLO Larry's Lookout - Arcadia, WI

Points: 80

44° 14.548' -91° 36.312'

Larry's Lookout formerly Hasson's Holdup is a big biker restaurant somewhat because of the view but mostly because of the roads here. From Arcadia follow WI-95 west 6 miles to the Larry's. According to a sign next to the entrance "Welcome to Larry's Lookout" while visiting what will be your preferred pronouns?

073 BTC Buffalo City Time Capsule - Buffalo, WI

Points: 73

44° 13.860' -91° 51.701'

What could possibly be in a time capsule from this tiny town of Buffalo??? Buffalo City is located on the Mississippi River about 9 miles north of Fountain City. From WI-35 and Co Rd O in Cochrane WI go west and follow Co Rd O as it turns north. Go 0.6 of a mile and turn west on Buffalo City Road for 1 mile, turn right on Humboldt St and immediately left into the Buffalo City Park. Inside the park is an older stone building "Buffalo City Fire Station". On the north side of this building is the Buffalo City Time Capsule. On what date will the time capsule be opened?

074 BVP Buena Vista Park - Alma, WI

Points: 77

44° 19.416' -91° 54.581'

6:00am - 11:00pm

Alma is located on the Mississippi River about 8 miles south of Nelson WI on WI-35. In Alma go east on Co Rd E, follow E for 1.3 miles, turn left onto Buena Vista Road, follow that to the end. From the parking lot walk to the overlook and find the green bench in memory of Thomas L Watson. According to the plaque on the bench this was Tom's view of his favorite what?

075 LHW Little House Wayside - Pepin, WI

Points: 71

44° 31.617' -92° 11.429'

This is a replica of the home that on February 7th 1867 Laura Ingalls Wilder was born. Pepin is about 21 miles southeast from Redwing MN. From Pepin head north on Co Rd CC follow for 6.8 miles to the wayside. At the wayside there is a historical marker, get a photo of this marker.

076 PCP Plum City Park - Plum City, WI

Points: 65

44° 37.913' -92° 11.562'

Just a nice little city park with lots and lots of fish in the pond. Guess what, another bench. On the south side of the pond there is a flag pole, at the base there is a bench. The plaque on the bench is in Loving memory of who?

077 UFO UFO Capital - Elmwood, WI

Points: 67

44° 46.770' -92° 09.205'

Elmwood's claim to fame is the UFO Capital of Wisconsin. Make sure you come back in July for UFO Days, okay. Elmwood is about 12.5 miles southwest of Menomonie. From I-94 exit 128 go south on WI-128 11 miles. Turn east on WI-72 0.4 of a mile to Sailors Meats. In the parking lot there should be an alien looking device, think flying saucer, could be 2. Get a photo of these UFOs.

078 HWN Half Way North - Cadott, WI

Points: 245

44° 57.217' -91° 08.821'

Cadott's claim to fame is that it sits nearly on the 45th parallel. There's a billboard in Riverview Park making that claim as Cadott being half way between the Equator and the North Pole. Also in the park here is a sign post. According to this sign post how far is it to Kansas City?

079 45x90 45x90 Marker - Poniatowski, WI**Points: 450****44° 59.953' -90° 00.255'**

Just outside of Poniatowski, WI is a geographical marker for 45°N and 90°W so the center of the northwest hemisphere. Poniatowski is about 17 miles WSW of Wausau. From WI-29 exit 150 go north on Co Rd H for 3.4 miles, turn west on Cheery Grove Lane, go 2 miles and turn north on Meridian Road, go 0.3 of a mile to the parking lot for the 45x90 marker. Just a few minute walk to the actual 45x90 marker. Get a photo of the brass disc marking 45°N and 90°W.

080 COM Commemorative Coin - Wausau, WI**Points: 510****44° 57.550' -89° 39.599'**

Once you've collected the 45x90 marker you'll want to get the commemorative coin. Wausau is located at the intersection of WI-29 and US-51. To receive your coin got to the Wausau La Quinta Inn. 1910 Stewart Ave in Wausau. From WI-52 go south on S 18th Ave, take the first right Stewart Ave, go 0.1 of a mile to the La Quinta Inn. Go to the front desk to get your commemorative coin. To collect this bonus you must also collect bonus 079 45x90.

081 45R 45th Parallel - Roseville, MN**Points: 42****44° 59.990' -93° 11.213'**

One of the 45th parallel markers is right here in the Twin Cities, Roseville to be exact. From I-35W exit 22B will take you south on Cleveland Ave. Follow Cleveland for about 0.5 of a mile and turn east onto Loren Road, park here. The marker is less than 100 feet north on the east side of the Cleveland. Cleveland is a busy road do not park on the tiny shoulder pull off on Loren Road. When was this plaque recast?

082 45P 45th Parallel - Peshtigo, WI**Points: 751****44° 59.938' -87° 51.178'**

Another 45th Parallel marker is near Peshtigo WI. Frank Noyes was a smart guy, he knew that the 45th parallel wasn't the half way point between the North Pole and the Equator. Because the earth isn't exactly round but slightly spheroidal. Peshtigo is about 38 miles north northeast of Green Bay WI. From Peshtigo go south on US-415.8 miles to the wayside with the marker. US-41 is a divided highway and the wayside can only be accessed from the southbound lanes. Since the earth is spheroidal, according to Frank how far is it from here to the North Pole?

083 HWN Half way North - Beaver, WI

Points: 755

45° 08.819' -88° 00.349'

Frank Noyes wasn't going to leave us hanging he placed another marker where the actual half way point between the Equator and the North Pole. Beaver is 40 North of Green Bay. From the intersection of US-41 and Co Rd P go north 0.8 of a mile the marker is on the west side of the road. According to the marker and Frank, From here how far is it to the equator and the North Pole?

084 45D 45th Parallel Distillery - Stillwater, MN

Points: 63

45° 03.321' -92° 48.292'

A Wisconsin distillery with their retail and on sale location here in Stillwater. One block east of MN-95 through downtown Stillwater and one block north of Nelson Street on Water street which is like an alley. Get a photo of the 45th Parallel Distillery logo on the window.

085 STP Stockton Pavillion - Stockton, MN

Points: 80

44° 01.662' -91° 46.018'

Stockton is 4.2 miles, as the crow flies, west of Winona MN on US-14. The pavilion is on the north side of the highway at D Street. Up above on the south end of the pavilion is a dedication "In memory of" Who?

086 RBM Reno Bottoms - Reno, MN

Points: 87

43° 36.199' -91° 16.321'

Reno Bottoms is a canoe launch for a Mississippi back waters. Reno is about 7 miles north of the MN-IA border on MN-26. There is a dirt side road that parallels MN-26, 1.2 miles north of Co Rd 249. Follow the side road a short distance there is a sign "Reno Bottoms" Get a photo of this sign.

087 IMB Iowa Minnesota Border - New Albin, IA**Points: 87****43° 30.047' -91° 16.981'**

In 1849 Captain This. J. Lee erected an iron monument at the corner border of Minnesota and Iowa. New Albin is obviously right on the border of MN and IA and as close as possible to the Mississippi River. Just as you enter and exit New Albin you will see a “Historical Marker” sign, turn east at the gravel side road. Follow that 0.1 of a mile to a 4 foot tall obelisk. At the base of the obelisk is a brass plaque, according to the plaque. How much does this monument weigh?

088 RCC Rush Creek Cemetery - Ferryville, WI**Points: 133****43° 23.922' -91° 05.498'**

Rush Creek cemetery is a small pioneer cemetery in the ruling hills of the driftless region. Ferryville is about 30 miles south of La Crosse on WI-35. Just north of Ferryville turn northeast on Co Rd B. Go 1.9 miles turn north on Rutter Hill Road, go 1.6 miles turn right on Rush Creek Road, go 0.3 of a mile to the Cemetery. Walk up the hill and around to the right to see the cemetery. John Coons would ride up it but you can walk it's not far. As you approach the far corner of the cemetery you will see three tall flat, very dark blackish monuments marked as “Rutters” they are all in a row. When looking at the face of the monuments, on the left side of the row is a low flat monument to Civil War veteran William H. Rutter. Get a photo of this civil war veterans marker.

089 BHT Black Hawk Trail - West Prairie, WI**Points: 111****43° 27.596' -91° 03.739'**

This small shelter has info on the historic Black Hawk Trail. From Viroqua go south on US-14 about 2.3 miles, follow WI-82 west 13.5 miles to the small shelter. Or just 2 miles west from West Prairie on the north side of the road. There are two stone plaques. The one on the right is “Black Hawk Trail” According to it in 1846 Lee Sterling found a handful of what?

090 BTS Bathtub Spring - Soldiers Grove, WI**Points: 114****43° 23.390' -90° 53.164'**

Just as the name implies it's a bathtub with a pipe emptying into it from a spring. People drink from it, I've heard. From Soldiers Grove going north on Main Street turns into Co Rd C. Follow Co Rd C for 6.7 miles to the bathtub on the west side of the road. FYI there's a little jig-jog to follow Co Rd C. Get a photo of the bathtub spring and maybe a drink.

091 DHG Doug Helgerson - MT Sterling, WI

Points: 138

43° 18.916' -90° 55.702'

Doug is memorialized in they small city park next to the Mt Sterling City Hall. Mt Sterling is 4 miles west of Gay Mills. At the intersection of WI-171 and WI-27 in the center of Mt Sterling. On the south corner look for the nice sized bell. Below the bell is a brass plaque “Doug Helgerson”. According to the plaque in 2003 Doug was elected President of the village. What was his margin of victory in the election?

092 SVM Seneca Veterans Memorial - Seneca, WI

Points: 124

43° 15.925' -90° 57.491'

Seneca is 20.5 miles north of Prairie Du Chien on WI-27 or 4 miles south of Mt Sterling on WI-27. On the west corner of WI-27 and Warter St is the Seneca Veterans Memorial. Around the eagle statue are six quadrilateral marble stones. Into each stone are the names of local veterans who died in the various wars. Who from this area died in the War of 1812?

093 SGP Sign Post - Gay Mills, WI

Points: 138

43° 19.016' -90° 50.610'

Here you will find a sign post with multiple arrow shaped sigs pointing many different direction for many cities and towns. Gay Mills is located about 23 miles west of Richland Center at the intersection of WI-171 and WI-131. The sign post is at that intersection locally know as Main Street and Hwy 131. One of the signs says “All Roads Lead to Gay Mills the _____ Capital”

094 WLM World’s Largest M - Platteville, WI

Points: 165

42° 45.784' -90° 24.427'

The world’s largest M was constructed in 1937 by the engineering students from the UW Platteville. Platteville is about 18 miles north east of Dubuque IA. From Platteville follow Co Rd B for 4 miles then turn north on West Mound Road, follow for 100 yards to the parking lot for the Big M. There is a stone monument describing the Big M, get a photo of this monument.

095 FBR Ferry Bluff - Sauk City, WI

Points: 155

43° 14.401' -89° 48.612'

Ferry Bluff has beauty views overlooking the Wisconsin River. Sauk City is about 20 miles northwest of Madison. From US-12 in Sauk City take WI-60 west for 4.3 miles and turn south on Ferry Bluff Road. Ferry Bluff Road quickly turns to a good gravel road, it's 1 mile to the parking area. Follow the dirt path up to the bluff overlook. It's not far but a little steep in places. Once at the top you will find several info plaques. Get a photo of the plaque labeled "Shaping the Land Long Ago"

096 ESP Dr. Evermor Sculpture Park - Prairie du Sac, WI

Points: 155

43° 21.819' -89° 46.130'

11:00am - 5:00pm

This is the home of the infamous Forevertron. But we're going to look for something different. Prairie du Sac is located about 20 miles northwest of Madison. From the intersection of US-12 (not Bus US-12) and WI-60 in Prairie du Sac go north on US-12 6.9 miles. on the west side of the road you will see a sign for the Art Park. Once once past the two gates and you are in the art park go to your right and look for a giant silver guitar. off the the right of the guitar is a mosquito looking sculpture with gold wings. Get a photo of this gold winged mosquito.

097 VHR Van Hise Rock - Rock Springs, WI

Points: 122

43° 29.311' -89° 54.951'

The Van Hise Rock and the Baraboo Hills is a geological Mecca of sorts. Ask Kevin Powers to elaborate. RockSprings is about 8 miles west of Baraboo on WI-136. 0.8 of a mile north of Rock Springs on WI-136 on the east side of the road is the Van Hise Rock and a historical marker. Get a photo of the Van Hise Rock.

098 DCR Drifty's Canoe Rental - Ontario, WI

Points: 98

43° 43.309' -90° 35.330'

Ontario WI is located about 18 miles south of Tomah at the intersection of WI-33 and WI-131. Drifty's is very, very close ro the Rather than a sign this guy a red Drifty's Canoe upside-down on two posters. Get a photo of Drifty;s canoe. You can thank me later.

099 FCC Fish Creek Cemetery - Sparta, WI

Points: 88

43° 49.204' -90° 52.844'

Daylight

From Sparta intersection of I-90 and WI-27 go south on WI-27 4 miles turn west on Co Rd J 4.8 miles to the cemetery. Inside the cemetery there is a family, Peterson with red/brown headstone. Family members are marked with unique cylindrical markers. On the top of the cylindrical markers are the names and dates. What years were Hilda's birth and death?

100 LSP Land Survey Pole - Arcadia Township

Points: 87

44° 11.622' -91° 22.130'

It's pretty rare to see one of these poles, usually used for long distance control triangulation, you knew that. Think tall barber pole or candy cane. From the intersection of WI-95 and WI- 93 go east on WI-95 4.2 miles, turn south on Burlington Road for 5.7 miles. Burlington turns into Oak Ridge Drive, the pole is on the southeast corner of Oak Ridge, Bergerson and Linrude. Get a photo of the Land Survey Pole.

101 IPB Island Park Beach - Independence, WI

Points:78

44° 21.709' -91° 25.542'

7:00am to 11:00pm

Island Park Beach is as it's name implies is a beach on an island. Independence is about 8 miles north north east of Arcadia on WI-93. From the intersection of WI-93 and WI-121 go south 0.4 of a mile and turn right on Adam St. aka Co Rd Q. go 0.3 of a mile and turn right on Sixth Street go 0.3 of a mile and turn right on Island Road. Once across the bridge and at the parking lot off to your right is the beach. At the beach there is a sign "Loins Club Beach", get a photo of this sign.

102 MVM Mondovi Veterans Park - Mondovi, WI

Points: 72

44° 34.211' -91° 40.119'

Another nice veterans memorial. Mondovi is about 17 miles south of Eau Claire at the intersection of US-10 and WI-37. In the center of Mondovi where WI-37 goes south go north on Eau Claire Street for a little over 0.1 of a mile. Turn right on Mill street go about 0.1 of a mile the memorial is on your right. Across the back of the memorial area row of benches. One of the benches is "Donated by National Mutual Benefit" Get a photo of this bench.

103 DAL Dallas Sioux Falls Fire Dept - Dallas, WI**Points: 279****45° 15.595' -91° 48.899'**

Ever wonder what to top with old unusable American Flags. Well there are places that have retired American flag drop boxes. Dallas is about 10 miles south of Barron. From I-94 and WI-25 go north on WI-25 for 25.3 miles. Turn east on Co Rd A go 5 miles to Dallas, turn north on Co Rd U. The Fire Dept. is on your left. Get a photo of the "US Flag Drop Box"

104 PVP Pine View Park - Eau Galle, WI**Points: 77****44° 42.129' -92° 00.751' 6:00am - 11:00pm**

A nice little county park. Eau Galle is about 5 miles northwest of Durand. From US-10 and WI-25 just west of Durand go north on WI-25 for 3.6 miles turn right on Co Rd D, go right on Co Rd Z for 1.1 miles then turn left on 70th Ave, follow that 0.3 of a mile to the park. Get a photo of the "Pine View Park" sign.

105 CBM Corral Bar Mural - Durand, WI**Points: 75****44° 37.655' -91° 58.132' 7:00am - 11:00pm**

A nine-foot-high, 55-foot-long circus poster on a building wall was recently uncovered during a renovation. Being paper, it wouldn't have survived if it hadn't been walled-over. Now restored and a showpiece at the Corral Bar and Riverside Grille. Durand is about 17 miles south of Menomonie at the intersection of US-10 and WI-25. The Corral Bar is right on Main street between 3rd and 4th Ave. Get a photo of part of the mural. If the bar isn't open you can access it through the Riverside Grill.

106 KWF Key West Fire/EMS - Key West, IA**Points: 257****42° 26.852' -90° 40.933'**

They say that Key West is always a sucker bonus. Could that be true on the North Star Rally??? This Key West is just 4 miles south of Dubuque on US-61, much closer than the real sucker bonus. Off of US-61 turn west on Lake Eleanor Dr. the Fire Dept. is on your left. Get a photo the "Key West Fire/EMS" sign.

107 AEP Adolph El Paso Bar - El Paso, WI

Points: 63

44° 45.928' -92° 20.682'

This log cabin structure is an original from early El Paso days. El Paso is about 5 miles east north east of Ellsworth. Out of Ellsworth go east on US-63, which turns north. A couple of miles after it turns north go east on Co Rd G, follow G to El Paso. Once G turns south go 0.3 of a mile Adolph El Paso Bar will be on your left. Geta photo of the from of Adolph El Paso Bar.

108 CCC Cheese Curd Capital - Ellsworth, WI

Points: 63

44° 44.083' -92° 27.829'

I know you've been wondering just where IS the cheese curd capital of Wisconsin??? It's here at the Ellsworth Cooperative Creamery, of course. If you're here when they're open head in and get yourself some curds, get the fresh ones, they're squeaky. Ellsworth is about 17 miles east of Prescott on US -10. In Ellsworth on the east side of town go north on Morse Street, the creamery is on your right. Just to the left of the main entrance is a mural claiming this to be the "Cheese Curd Capital of Wisconsin". Get a photo of this mural.

109 GRR Great River Road Visitor Ctr. - Prescott, WI

Points: 61

44° 44.570' -92° 47.446'

You'll likely to have spent some time on the Great River Road during the North Star Rally, one of the best of all the Scenic Byways. Prescott is about 10 miles southeast of St Paul MN on US-10 at the Mississippi river. From Prescott go south on WI-35 several blocks, turn south on Monroe St. take the first right in the GRR visitor center. From the parking lot take the trail to the right of the visitor center. Follow that to the overlook, turn around and you will see two benches. One of them is in memory of who?

110 BLS Benjamin Lewis Sculpture Park - Hastings, MN

Points: 62

44° 45.419' -92° 53.235'

Dale Lewis is a retired electrical technician turned recycled artist. Classic "well ya see I got this welder for Christmas and I had this idea", creating art out of scrap. Hastings is about 17 miles south east of St. Paul on US-61. Out of Hastings go west on 2nd St which turns into Nininger Rd for 2 miles turn north on Lock Blvd and stop. On your right will be several scrap sculpture one of them resembles a patchwork chameleon. Get a photo of the chameleon.

111 ZZZ Sleep bonus - Anywhere, anytime

Points: 8,000

Spend at least four full hours off your bike. To earn credit for this bonus you must first pick up a receipt which shows the location, date and time you are stopping. Pick up a second receipt at least four hours later; the location, date and time must be machine-printed on both receipts. Both of these receipts must be from the same town or location. You may use receipts from two different businesses but both receipts must be from the same town or location and within a couple of miles of each other. You may not acquire any other bonuses during this four-hour window.
